DEDICATION TO . . .

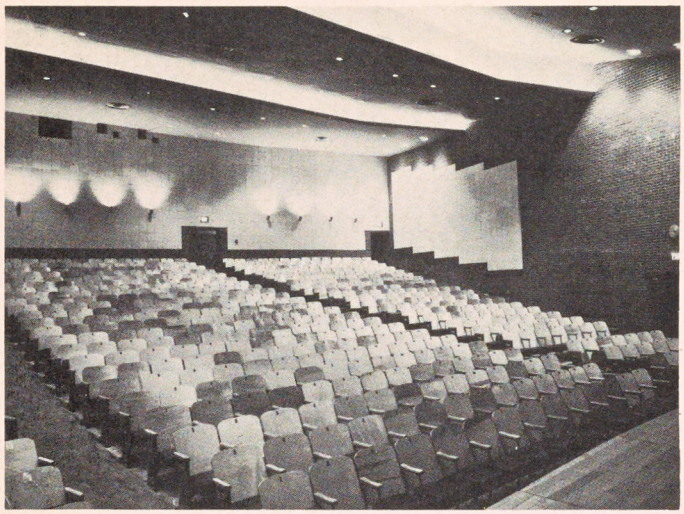

K. E. KIRKWOOD, PERM. VOC.

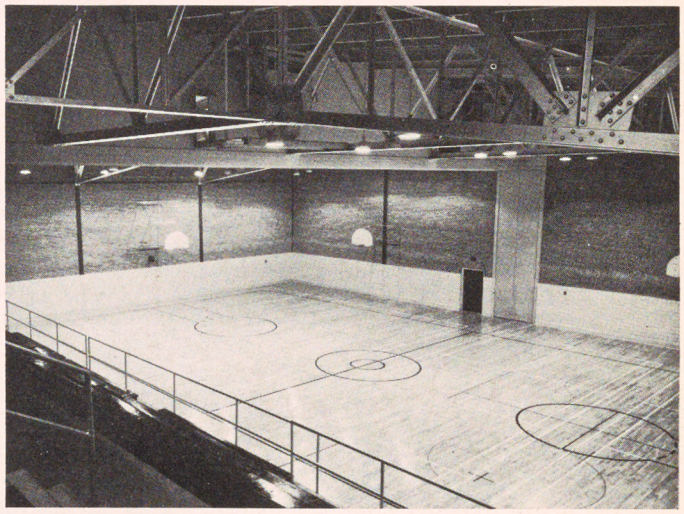

After twenty-six years of devoted service, Mr. K. E. Kirkwood is bidding farewell to Vic, its students and teaching. With a feeling of satisfaction he is able to look back and recall the memories of the past years. Mr. Kirkwood was born in Portage la Prairie, Manitoba, where he received his elementary education. A three-year training course, the first term of which was taken at Montreal and the second two in the United States, started him off towards his present career. Mr. Kirkwood took the saying, "Go West young man", to heart and made Edmonton his destination. Here, he "set up and kept shop" at the Technical School for fourteen of his twenty-seven years. During those fourteen years he held the position of consulting engineer, introduced air conditioning, and was the editor of the technical magazine, "Canadian Sheet Metal". He spent the next six years in Industrial Arts. In 1948, when Mr. Kirkwood saw newly built Victoria High School, he decided it would be the perfect place to continue his career. Of his seven years at our school, he says, "Vic is tops in everything, particularly the wonderful shops". Although he enjoys teaching, Mr. Kirkwood holds the opinion that, "It is a young man's job". Of the students, he makes no comment, because as he puts it, "What I could say about the students would fill volumes".

Mr. Kirkwood, who is a great-grandfather is looking forward to his favorite past-time after retirement—travelling.

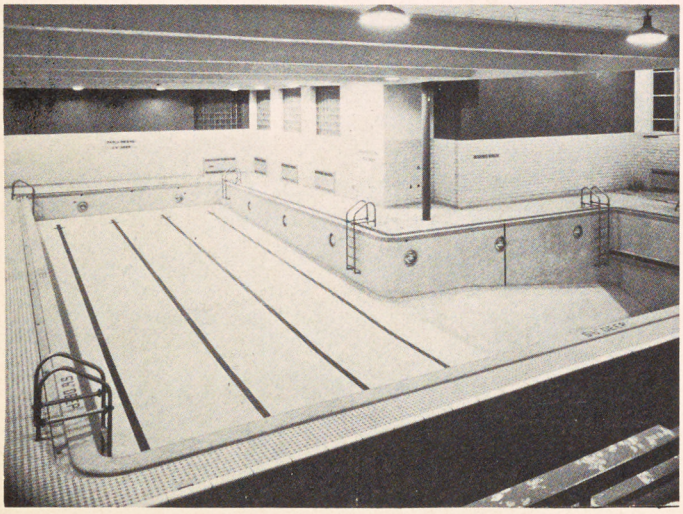

To you, Mr. Kirkwood we wish a very bright future and a happy holiday. You deserve them both.

V.C.H.S. PUBLICATIONS

Keeping a school the size of Victoria Composite well informed on all school matters has been the task of the four publications of this school. The time, effort and co-operation of the large staff has provided the student body with high school publications that are of the highest quality.

The growth of the Argosy in past years has improved in many aspects. Indications have shown that these efforts have been toward a paper of very high calibre. The Vic Argosy has been awarded the Second Place International Award for outstanding achievements in journalism recently. This honor was presented by the Quill and Scroll Society of America, a society of high school journalists, of which the Argosy has been a member for many years.

A successful publications venture must have as efficient machinery as possible in the organization, but it must also give the student considerable independence. This is what the constitution of the Publications Board aims to provide. Work on any of the four publications provides not only journalistic experience but also training in leadership. The journalistic knowledge branches into various fields including business, which primarily concerns advertising, newspaper photography, both taking and developing the prints, and, of course, writing and composition. The students holding executive positions were afforded the chance to do administrative work. Many had a staff of their own which they directed as they saw to the best advantage. In these respects publications not only provided knowledge and enjoyment for the present but experience that may be of benefit in future life.

Publications have grown to the point where the task of directing the production of the Argosy, Argo, Handbook and Yearbook has become too large for one person, separate editors are appointed for each.

The Argosy this year has tried to bring the student up-to-date with all the news happenings throughout the school. More photography and artwork have improved the appearance of the paper.

The Yearbook, which has the largest size and circulation of any high school in the city, has tried to maintain and also improve on the high standard of past years.

The fourth issue of the Victoria Composite Handbook was compiled to be printed and distributed the following September.

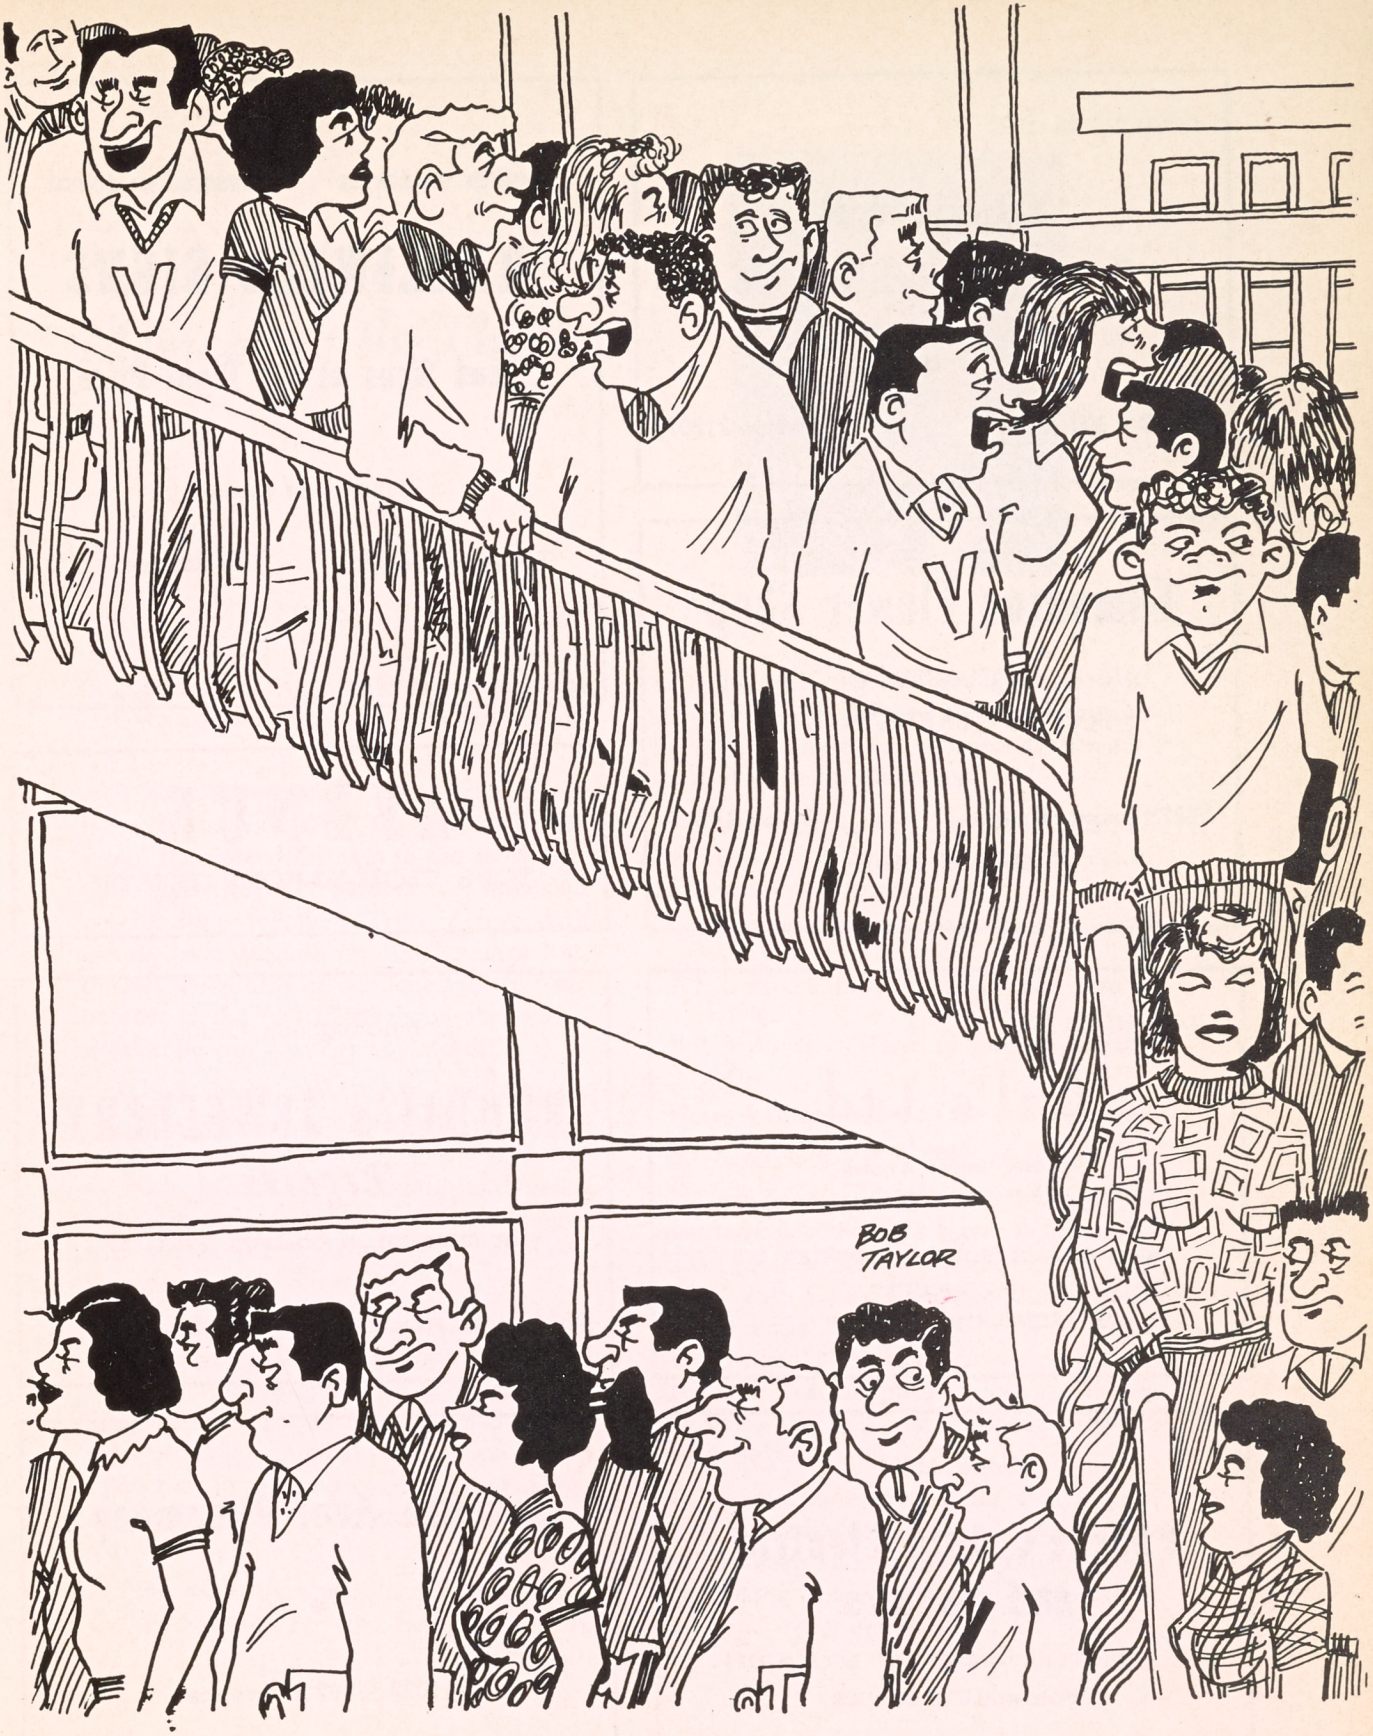

Because we have learned by the triumphs and trials of those who have gone before us, we have enjoyed the most successful year in publications history. Co-operation was of the highest degree, the staffs very well organized.

Mr. McFarland's Message to the Grads

Again it is my privilege — a pleasant one—to address a message to a graduating class.

I have an especially warm spot in my heart for the class of '56, because it was this group that joined the ship in the same year that I was appointed Skipper. We have had good sailing together. True, a few dark clouds have loomed on the horizon; but, during the course of our journey, we have confirmed the fact that a good ship and a good crew can weather any storm.

Three years ago, when we set our course, we doubtless all experienced vague forebodings of some rough seas ahead. But as we look back now, with the harbour in sight, I'm sure we will confess that we have had, all in all, a happy and profitable voyage.

Our crew has been most co-operative with the ship's officers; the spirit has been excellent; the discipline no great problem. The seamanship you have learned will, I trust, stand you in good stead as you launch upon that longer and even more challenging journey that lies outside the walls of Vic.

You have done well in academic work, the main reason for your being aboard. In athletics, and in other extra-curricular activities, you have "played the game" magnificently, winning the warmest commendations of our ship's company.

What lies ahead of you young people is shrouded in mystery. It was Alexander Pope who aptly wrote:

"Heav'n from all creatures hides the Book of Fate,
What future bliss he gives not thee to know,
But gives that Hope to be thy blessing now.

Hope springs eternal in the human breast:
Man never Is, but always To be blest."

Despite misgivings which some of you may have, I believe the future is bright and full of promise for the members of this class of '56. Both Canada and the United States are urgently in need of well educated young people. In both countries the cry goes out for engineers, doctors, nurses, teachers — in fact, for trained minds in every field.

Vic has done its best for you. Go forward now with confidence. Keep your chin up and keep your thinking straight. May a long happy and useful life lie ahead for each and every one of you.

Message from our Grad President

Graduating from Grade Twelve is one of the most important events of our lives; but this is by no means the end of our education, for many will be going on to College or University and others will be learning still more in the business world. Experience will teach us all many things which cannot be learned one day and forgotten the next, for life will not always give us a second chance as many of our teachers have done. It will be our responsibility to use this knowledge in building our future lives.

Twelve years ago we started to climb the educational ladder and we have now reached the top. The climb has not always been easy and at times the rungs seemed shaky. At such times our teachers have stretched out a helping hand and encouraged us. For this we would like to thank each member of the teaching staff of V.C.H.S.

On behalf of the graduating class I would like to express our thanks to our principal, Mr. McFarland, for the quiet understanding and friendly assistance he has always given us so willingly. We would especially remember with gratitude our assistant principals, Mr. Hollingsworth of the commercial and Mr. Ward of the academic division (who also acts as the adviser to the Students' Union). Mr. Kaasa, the Grad Class adviser, has earned our very special thanks.

For myself, I would like to thank each member of the Grad Executive, who has worked to make our good-bye to "Vic" an occasion to be remembered.

Do you remember your first day at Vic? You never dreamed a school could be so big. During the first year you heard such names as President, P. J. Clooney, Argosy Editor, Con Heibey, Yearbook Editor, Emily Melech and many many others.

That year Vic showed up well in sports by winning the City Senior Football Championship, the City Junior Basketball Championship, and the Senior Red and Junior White Girls' Basketball Championship.

Do you remember how we all cheered when Jim Ostrowerka was awarded the Haliburton Trophy for outstanding ability and leadership in sports? That year also brought to Vic the Irving Kline Trophy won by Mickey Garlough's rink and a tie for first place with Scona in the City Swim Meet.

On the drama scene "The Bat" and "Charlie's Aunt" stole the spotlight. No one will ever forget Michael Goldberg's wonderful portrayal of Charlie's Aunt nor Mary Humphrey's performance as "Lizzie" in "The Bat".

Under the social convener, Ernie Figol, the social committee had a very successful year. Such dances as "Provincial Prom", "Drainpipe Drag", "Fantasy in Rhythm", and "Tulips Meet" appeared on the scene, climaxed by the Grad Dance which was organized by Grad President Ken Smith.

The C. O. Hicks and J. Percy Page Citizenship awards went to two people who well deserved them, P. J. Clooney and Emily Melech, respectively.

That year a new system for electing the president was started. Under this system, elections were held in the spring and officers officially installed in the fall. After a vigorous campaign and election Howie Starkman was proclaimed president of the Students' Union for 1954-55, with Shirley Sollanych chosen unanimously to fill the position of vice-president.

Rod Morgan and Doreen Wright, editors of the Argosy and Yearbook, respectively, headed the Publications Staff.

It was a sad day when Vic lost their City Rugby Championship to Sep, but things were brightened considerably when Vic's own Wilf Greaves was awarded the Haliburton Trophy for outstanding ability in sports.

Do you remember how excited you were when Vic's Senior Boys' Basketball team beat Westglen by a single point, and won the City Championship? This was the year we inaugurated the familiar "Go Vic Go" and "Hey, Hey take it Away". Never before had we seen such school spirit as the night we played Calgary Crescent Heights. We were heartbroken when we lost the Provincial Title by the same margin as we had won the City Title.

Under our two capable social conveners Clyde Watt and Murdeen Finlayson, the social front at Vic had one of its most successful years in the history of the school. We

HISTORY

witnessed such successful productions as "Kickapoo Kapers" (the annual Sadie Hawkins Day dance), "Spaceman's Spree", "Melodie in Swingtime" (a jazz concert and dance featuring Ron Repka and his orchestra), and finally the spring semi-formal entitled "Blossoms and Beaux".

The year play, "Our Town" will be remembered by all for its sincere and heartwarming story. Its success was largely due to the performance of the stars, Beverly Havard and Tony Straubenzee, and to the director, Miss June Ferguson.

Our president, Howie Starkman, and our Grad and vice-president, Shirley Sollanych, received the C.O. Hicks and J. Percy Page Citizenship awards that year.

Lionel Jones, who was elected president in the spring, officially began his duties in the fall of '55, with Carol Horton filling the position of vice-president.

Our school publications flourished under Dolores Shymko, editor of the Argosy, and Edward Hauptman, editor of the Yearbook. These two people along with their staffs were largely responsible for the success of the publications this year.

Vic was the envy of all the other schools in the sports field. For the first in twenty-six years an Edmonton team won the Provincial High School Rugby Championship, and that Edmonton team was Vic's team. Do you remember how proud we were and how loudly we cheered when the trophy, emblematic of this title, was presented to our team's captain?

Vic didn't stop at just one Provincial title for in the spring of this year our Senior Boys' Basketball team brought home from Calgary the Provincial Basketball title. Who will ever forget such names as Don Monroe, Don Kay and many others whose dazzling performance helped to bring such great honor to Vic!

The Senior Girls' Basketball team followed in much the same footsteps as the Boys' team by bringing to Vic the Senior Girls' Basketball City Championship title.

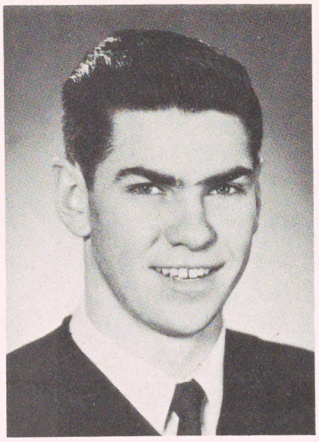

The voices of Jeanette MacDonald and Garth Worthington still echo through our ears as they sang "Silvery Moon" on the opening night of Vic's first musical, "Conflict in Ebony". Under the direction of Mr. Walter Kaasa, it was a smashing success and was enjoyed immensely by all. In contrast, the year play chosen was "The Cat and the Canary", a mystery which was also directed by Mr. Kaasa.

Two dances "Sadie's Stomp" and "Kotton Kapers" were staged by the social committee under the leadership of the social convener, Gary Day.

Carol Horton was elected Grad President and it is to her and her committee that we owe thanks for the wonderful Grad dance and banquet presented to us. This event marked the close of the happiest and most wonderful years of our lives.

Valedictory

DAVE McLEAN

Tonight we are assembled to bid farwell—to each other, and to the wonderful guiding forces that have aided us in a most difficult and complex process—"growing up".

When I say "bid farewell to each other," I mean to each other as high school teenagers. No doubt we will meet again, not as carefree youth, however, but as men and women forming an essential part of our cultural and business world.

Looking back we see ourselves as "frosh", gazing for the first time at our new surroundings, with a prodigious feeling of uncertainty. This was only our initial impression, however, for as we accustomed ourselves to our new environment, we soon gained confidence. Now as we emerge as seniors, we have tasted of the tremendous spirit and friendliness, that is so characteristic of a great school.

When we part in June we will carry with us always the virtues we have gained from Victoria. Though each of us will follow the future pattern that best suits our individual desires, we will not forget the wonderful, carefree days spent at Vic. Many years from now when we thumb through an old yearbook, we will be struck with a nostalgic feeling that reminds us of high school days, and only then will we realize how enjoyable they have been.

We have gained much more than a basic education during our high school years. We have acquired characteristics of citizenship, responsibility, and emotional stability; so necessary in preparing us for the obstacles of the world. Though our days have not always been clear, we have learned to accept the good and bad, always having the fortitude to come out smiling.

In gaining these traits we must look with sincere gratitude to our teachers. They have given unselfishly of their time, tolerance, and personal desires, so that, we may be well-fitted with the stores of knowledge. They have proven without doubt that they are the true—"moulders of the world of the future".

We have a very important responsibility left with us, for we must prove that what we have gained Vic has not lost. During our stay we have experienced freedom of action and opinion, let us continue to enjoy these freedoms by always exercising our democratic privileges wisely, and doing our utmost to further society in its search for peace and understanding.

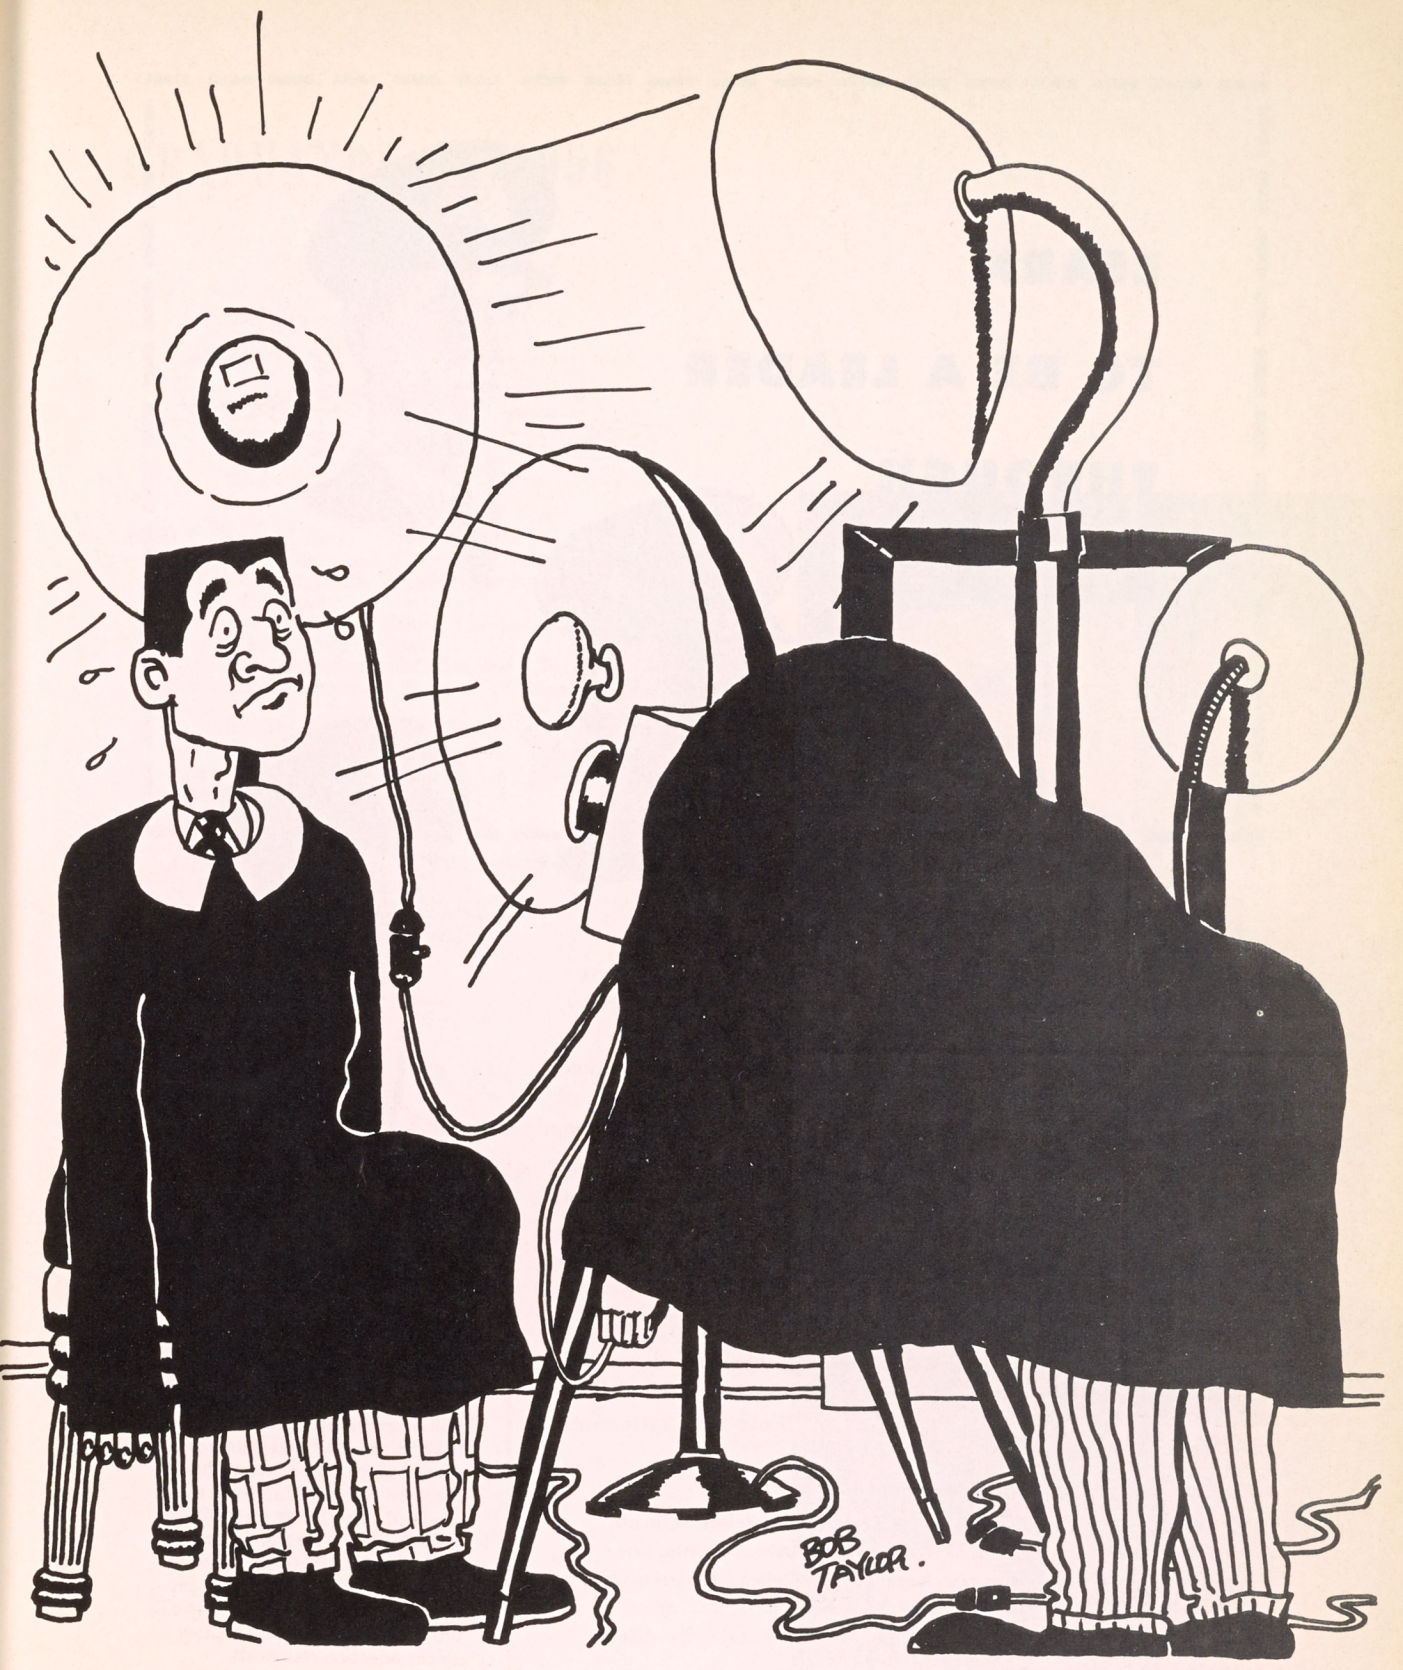

We now approach our goal—"graduation". We have struggled towards it for twelve long years, but now as it approaches we cannot help feeling sad as we pass into the first phase of adulthood.

We ask ourselves:

What good have I wrought?
I laugh to have learned
That joy cannot come
Unless it be earned.

To the graduands of 1956 may I express my sincere best wishes in your immenent future. May the utmost of luck and good fortune favor you in the impending exams.

Though we must now go our separate ways, we must not say "good-bye", only "au revoir"—"Till We Meet Again!"

Message from the President

LIONEL JONES

The end of the school term 1955-56 is within sight, and we find ourselves again looking back over another exciting chapter of our life. Indeed the Students' Union of Western Canada's largest high school has enjoyed a busy and successful year.

Perhaps our clubs involve more people than other branches of Victoria Composite's extra curricular activities. To all of the staff members who organized and sponsored these clubs, the Students' Union extends sincere thanks and assurance of appreciation for another successful year.

Our athletic teams have almost concluded an outstanding circle in interscholastic competition. They have won two provincial championships, a unique achievement for an Edmonton high school. But of no less importance were the high qualities of spirit, character, and sportsmanship, which have come to symbolize teams who play for "Vic." For these accomplishments we thank the coaches, managers, and other personnel who gave their time and knowhow under the school's physical education instructor; Miss Anderson Miss Irwin, Mr. Allen, and Mr. Macintosh

"Go Vic, GO," has not been yelled in vain.

The assemblies held at V.C.H.S. were excellent this year. Mr. Eby and the Assemblies Board has done a very commendable job of bringing to the fore some of our students' plentiful but reluctant talent. The entertainment provided at our "Lits" was tops, and will be remembered by those who saw it.

The Social Committee, with Social Convener Gary Day, and under the capable guidance of Miss A. Lent provided us with two outstanding dances this year. The Sadie Hawkins' "Sadie's Stomp" and the Spring dance, "Kotten Kapers" were well enjoyed by all who attended. These gatherings were certainly of the highest calibre.

The Fine Arts Department, under the supervision of Mr. W. Kaasa put on the musical, "Conflict in Ebony", and the Drama Club is even now preparing to present its year play.

Mr. H. A. McFarland, our well-liked Principal, has continued to work tirelessly to maintain the excellent student-administration spirit of co-operation. In this task he has been aided by our two assistant principals, Mr. H. Ward and Mr. C. Hollingsworth. We do appreciate your efforts.

A note of thanks is coming to Mr. Ward, who, in his first year as staff adviser to the Students' Union, has done a really terrific job.

We appreciate the work of Miss A. M. Holley, the school banker, the chairman of the various boards and those board members. To the maintenance staff our sincere thanks for your part in keeping our school in such fine form.

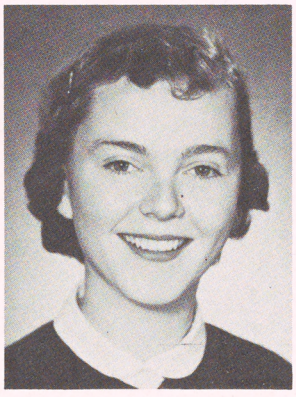

I now would like to give my most heartfelt thanks to the Students' Executive, the Students' Council, and the study body at large for electing me to such a splendid position in our most imminent school. This year has been a most happy and rewarding one. Only through your co-operation could it have been so. And finally, as we prepare to move on another step up life's ladder, we might well remember that anything worth having is worth working for.

The Students' Council, with Lionel Jones acting as chairman, and Mr. H. Ward advising, convened every second Wednesday at eleven-thirty in the library. This body, composed of room representatives and the executive, was vested with the legislative and administrative powers of the Students' Union. Many important issues concerning the school's welfare were discussed and decided upon by this active body.

During the year all financial matters and budgets were carefully scrutinized.

Next year we will see a new addition in the gym. This will be the electric score board, which the students felt would be very worthwhile and helpful in the various games played here.

There has been a proposal to amend the V.C.H.S. Constitution so the major athletic teams may purchase school championship jackets with crests signifying the team to which they belong.

The sale of tickets for the musical production, put on by Vic students, was taken on by the room representatives who did an excellent job.

Dances held in the Red Gym every Thursday noon proved to be enjoyed by everyone taking part. Music was provided by records brought by the students and donated to the Social Committee.

Many students enrolled in the many interesting clubs at the school. Even though we did not have our usual Club Day, a large number of the students found clubs and organizations to attend.

This year's council should be commended for the initiative, co-operation, unity, and common sense shown in carrying forth their responsibilities. Sincere thanks go to Mr. H. Ward, who proved to be one of the very finest advisers possible. Owing to his help and careful guidance, the council was able to show its ability in making this an eventful and worthwhile year.

Second row: Maureen Shonn, Mr. Eby, Robena Pike.

The Assemblies Committee consists of the following: Chairman—Mr. R. J. Eby; Members of the committee are—Miss G. Studholme, Mr. W. Kaasa, Mr. R. Lopatka; Convener—Robena Pike; Students' Council Rep.—Edward Hauptman; Student Members—Neil Murray and Maureen Shonn.

The purpose of this committee is to promote and supervise Lit activities.

Our first Lit, consisting of singing and dancing choruses as well as solo vocal and instrumental numbers was very warmly received.

The R.C.A.F. band provided the entertainment for the second Lit, which was held in January. The music played was thoroughly enjoyed by all.

Early in March, the third Lit took place. The students were entertained by one of our students in a very clever display of magic tricks. The program of the third Lit also featured a vocal number from two of the members of the "Conflict in Ebony" cast, and a cheering display put on by Vic's own cheerleaders.

SOCIAL COMMITTEE

Front row: Jean Kuzio, Dolores Shymko, Mrs. A. Kops, Gary Day, Miss A. Lent, Sally Mooney, Marjorie Cymbala.
Second row: Bob Taylor, Carol Shonn, Mrs. M. Glasier, Miss V. Mitchell, Miss C. Gourlay, Mrs. B. Lambert, Jim Santer.
Third row: Mr. J. Craig, Mr. J. Yusep, Wally Shwydky, Mr. J. E. Milner, Mr. W. C. Richards.

Vics' social season made its debut this year with the presentation of the traditional Sadie Hawkin's Dance, "Sadie's Stomp," on November 19. The decorations in Dogpatch fashion, together with the hard-time costumes of the students set the mood for this dance. Frankie Staples and Joe Bedford won the prize for the "Worst-dressed" couple at the dance. The music for the evening was supplied by Al Johnson and his orchestra consisting of V.C.H.S. students.

An after school Valentine sock dance was held in the gym on February 14. Accompanied by their best Valentines, V.C.H.S. students danced to a quartet of Vic musicians including Marv Weisler, Dave Israel, Garth Worthington, Ron Karole plus their favourite recordings. This dance proved so successful that the Students' Council suggested that every first Tuesday of the month, on day of staff meeting, there should be a sock dance in the gym.

The final social event of the year was the Spring Dance "Kotton Kapers" to the music of Vic's Marv Weisler and his orchestra.

Master of Ceremonies for the two dances were Wally Shwydky and Dave Israel respectively.

The Social Committee has endeavoured to supply the tops in social entertainment for the student body. Their only regret is that the dances must be so few and far between because of the "Two-dance regulation" throughout the city high schools.

The members of the committee were headed by Gary Day, Sally Mooney and Jim Santers. Other members included Jean Kuzio, Bob Taylor, Ray Wilkinson, Jerry Mammoth, Wanda Evans, Carol Shonn, Marge Cymbala, and Dolores Shymko. Advisers were Miss A. Lent, Mrs. M. Glazier, Miss C. Gourlay, Mr. J. Craig, Mr. J. Yusep. Other members of the Social Committee who arranged for Staff functions are Miss M. Mitchell, Miss M. McLaggan, Mrs. A. Kops.

THE FINE ARTS DEPARTMENT

"CONFLICT IN EBONY"

Something new, in the form of a musical, was added to the Vic entertainment field this year. Besides being a "first" musical for Vic, it also marked the first show directed by Mr. Kaasa since his return to Edmonton from a year's dramatic study in England. The musical was presented February 16th, 17th and 18th.

"Conflict in Ebony" was its title, and it starred the very finest in Vic's musical talent. Jeanette MacDonald and Garth Worthington were cast as Jeanie and Dan, the young lovers; Sandra Gavin and Karl MacDonald played Don's mother and father; Dick Smit was the overseer; Diane Cutler and Bob Selkirk were the Negro lovers; Robena Pike played the Negro Voodoo Priestess; Gordon Parr was Rastus, the little Negro boy, and Roma Standefer played Mammy, his mother.

The story, set in the South, was an original one, and concerned itself mainly with the white treatment of the slaves. It involved a cruel overseer, helpless slaves, an idealistic young son, an irate father, an understanding mother, a sweet young Northern girl and a few interesting characters for comedy relief.

"Conflict In Ebony" also featured a lovely set, elaborate costumes, spectacular dances, and beautiful singing.

Some of the songs in the musical score were "Beautiful Dreamer", "Short'nin' Bread", "I Dream Of Jeanie", "Summertime", "Dry Bones", "Kentucky Babe", "Great Day", and "You Gonna Reap Just What You Sow". Musical Director was Mr. Lopatka.

One of the most enjoyable scenes in the play was the one set around the Negro campfire where we saw the Negroes, relaxing after a day of hard work, singing their well loved songs before retiring.

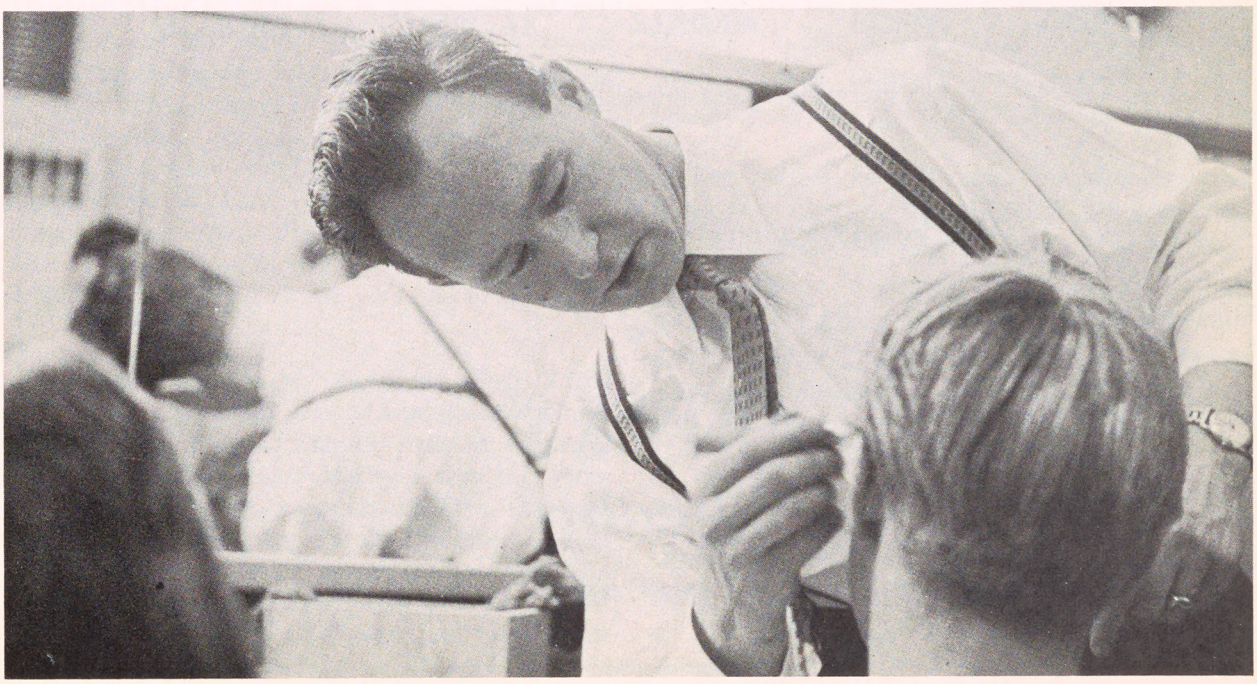

"Conflict" was directed by Mr. Kaasa, who was assisted by Mr. T. Peacocke. Mr. C. Richards was business manager; Miss Grant, Miss Studholme, Miss Mitchell and their Home Ec. classes worked on the costumes, which were designed by Arnold Toutant. The script was written by Roma Standefer, and the set was designed by Bob Taylor. Stage Manager was Heather Allan and lighting was by Mr. Montgomery.

All in all the show was a tremendous success. The cast and back stage people enjoyed working on it (despite that awful, awful, burnt cork!), and the people out front enjoyed it even more.

Pictured from left to right are the three female leads in "Conflict in Ebony": Jeanette MacDonald, who played the young Northern girl, Jeannie; Robena Pike, who was the Negro Voodoo Priestess; and Sandra Gavin, who played the Mother.

JUDY JONES

WALLY KIRK

Another fine year play, continuing the high standard set by our five previous ones, was presented by the cast of "The Cat and The Canary", April 19th, 20th and 21st.

This fine cast included Judy Jones, who played Annabelle West, lovely young heiress to Glencliff Manor and the Cyrus Canby West estate; Wally Kirk, who played Paul Jones, Annabelle's childhood sweetheart; Roma Standefer, who was cast as Mammy Pleasant, the creepy old Negro Voodoo woman who has been housekeeper of Glencliff Manor for the twenty years following West's death; Beverly Havard and Donna Dick, who played Susan Sillsby, cousins of Annabelle; Michael Whitla, who was Crosby, executor of West's estate; Lloyd Trupp and Dave Simmonds, who played two more cousins, Harry Blythe and Charlie Wilder; Alex Hrychuk, cast as Hendricks, guard from the asylum; and Arnold Toutant, who played the weird Dr. Patterson.

Staff Director was Mr. Kaasa, who helped and advised Heather Allan, the student director; Stage Manager was Frances Staples, assisted by Rona Margolus. Staff Business Manager was Mr. Richards and the student manager was Dan Thachuk. Costume designer was Arnold Toutant, Valerie Markle was in charge of properties, make-up was done by Kay Marshall, and the set was constructed by the Drama 10 and 20 classes, assisted by Bob Garnet, Doug Milne and Wayne Phare.

The play opens in the dark, musty, library of Glencliff Manor. As heat lightning flashes through the dark, heavily curtained windows and eerie mood music is heard in the background, we see, during a brief flash of lightning, somebody standing in the shadows on the staircase. Next, the faint flicker of a candle, and then Mammy Pleasant is seen descending the stairs, followed by Crosby.

This was the beginning of our year play. Scene by scene the plot developed and tension grew, until finally, a long, claw-like hand reached out of a library panel and grabbed Crosby!

The audience reaction, like that of a Bessemer converter, was immediate and violent. Screams and shouts of "Look out behind you!" "Oh! It got him!" and just plain "Aieeeeeee!" filled our auditorium, and carried right on through the bedroom scene in act two, when Crosby's body falls out of another panel into Annabelle's arms, to the final climax when we discover the identity of the murderer.

Yes, it was a fine, wonderful, frightening, thrill-packed production of a top notch melodrama. The characterizations were excellent, the sets definitely the best ever seen on Vic's stage, and the production as a whole packed a very real and very tremendous punch.

YOU JUST CAN'T DO ANY BETTER!

These are the only words to describe Vic's powerhouse football and basketball squads that smashed all opposition aside to take provincial championships in their respective divisions over the 1955-56 season.

This double triumph marks the first time in all the annals of provincial high school sport that teams from one school have been strong enough to accomplish the feat. The season of 1955-56 will long be remembered as a great high school sports year not only for Vic in particular, but for the whole city of Edmonton.

BOYS' SENIOR FOOTBALL

The football version of the perennially mighty "Red and White" achieved their never - to - be - forgotten fame by running roughshod over Edmonton teams throughout the regular season and then grinding out a thrilling 6-2 victory over Calgary's Crescent Heights in the sudden-death intercity final.

Using the Split-T for their second year in a row and incorporating a double-fullback system for the first time, the provincial champs rolled through the regular schedule without a single blemish on their record.

In succession, Vic downed Westglen 17-6, Scona Eastglen 18-0, and last year's Edmonton winners St. Joe's 34-1.

In the sudden death final to decide the Edmonton champ and the team to meet Calgary in the provincial playoff, the Vicites trounced Scona by a convincing 18-0 margin. Except for a brief period in the latter part of the game when Scona's passing attack threatened, Vic controlled the game all the way.

Two long runs on the part of fleet-footed half Eddie Johnson and flashy fullback Mike Lashuk for a pair of spectacular majors particularly electrified the huge playoff crowd. The other touchdown was scored by quarterback Bruce Bryson on a 12-yard keeper play, while one convert was booted by Rae Horon and two by Bob Lindberg.

The provincial final with Calgary, played late in the season on the icy, snow-covered Clarke Stadium turf, was close all the way until the final quarter when Vic's Mike Lashuk and Eddie Johnson combined to break up the old ball game. On the strength of two 50-yards plus punts by Wally Macintosh in answer to a single-point boot by Mike Lashuk, Crescent was ahead 2-1 when Vic's explosive backfield broke loose.

After a steady but cautiously slow march from Vic's own 12 to the 35 yard strip, suddenly big Mike Lashuk burst out of nowhere to reel off 56 yards before being brought down by a desperation tackle on Calgary's 14. On first down, Bryson handed off to Johnson who ripped unmolested off left tackle for the touchdown and the game.

Also particularly outstanding in the final and over the regular season was the play of halfback Joe Olson and brick-wall line heroics of team captain Roman Swynchuk, and fellow-lineman Vic Kondrosky.

Forming a regular caravan of busses and cars, close to 350 Calgary fans made the trip to Edmonton to view the final and were guests at a sock dance at Vic following the game.

Behind the boys all the way and responsible for their skilful play were the coaches, Don Macintosh and Jack Allen, who made the Vic team what it is—Provincial High School Football Champions for 1955.

The fall of '55 saw the fall (temporarily it is hoped) of Vic's junior footballers from the precarious peak of the Edmonton High School Junior Football championship which they won in '53 and '54.

Under the tutelage of Mr. Jack Allen and Ernie Wynnychuk, who once again found time out from his studies at the U. of A to help the squad, the Red and White finished up the regular season in a three-way tie for first place. Despite this brilliant record over the regular route, past performances went by the boards in the championship final as the Vicites were overwhelmed 10-0 by a fired-up St. Joe's crew.

Oddly enough, Vic defeated the same Sepites by an almost identical 9-0 count, when the two teams met in a scheduled season game.

The Juniors started off the season "in reverse", dropping their first game 11-1 to Scona Composite, but they quickly recovered to polish off St. Joe's 9-0, Eastglen 15-5, Scona High 22-0, and Westglen 18-5. Although their loss to Scona Composite held them down to a tie with St. Joe's and Scona Comp. for league leadership, the Vicites possessed a superior points-for-and-against record and were accorded first place in the official league records.

The championship junior final, played immediately before the senior final, saw the revitalized St. Joe's juniors completely surprise the Vicites with their sparkling play. Capitalizing mainly on sweeping end runs backed up by superb blocking, St. Joe's scored an unconverted touchdown in each half to take the verdict. Although Vic showed occasional flashes of their usual offensive brilliance, a sustained drive could not be made and scoring chances could not be taken advantage of.

While every member of the club played solid ball all season long, special mention must be made of the fine efforts put out by co-captains halfback Ron Engstrom and guard Harry Daynes, quarterback George Bre-Win, punter Ray Morris, linemen Jim Young and Ralph Johnston, and place-kicker George Shenkariuk.

BOYS' SENIOR "A" BASKETBALL

The best high school basketball team in the province of Alberta! That is the cry of the proud Vicites who saw the 1955-56 basketball version of the Red and White romp through the first annual Alberta High School Tournament held the week-end of March 16, 1956, in Calgary to become the 1956 High School Basketball Champions of Alberta.

The tourney, which included champion teams from Calgary, Raymond and Lethbridge, saw Victoria down Raymond 57-51 and then come through in the provincial final to whip Calgary's Crescent Heights 54-43. Main factors in Vic's tournament wins were magnificent checking which kept the opposition off balance, and the individual heroics of Joe Bedford and Don Munro.

Bedford, Vic's lanky centre, poured in 27 points in the victory over Raymond, while in the final Munro checked fiercely and netted 26 points as he put on a show that outshone Crescent's highly-touted Wally Macintosh, kid brother of Vic's coach, Don Macintosh.

Vic earned their way into the provincials by putting on a blistering performance to overcome the

Front row: Joe Bedford, Dave McLean, Don Munro, Ted Frechette.
Second row: Mr. D. Macintosh, Elmer Brendzan, Dave Hicks, Bob Lindberg, Roman Swynchuk, Don Kay, Gary Day, Len Dudka.

four other Edmonton senior hoop squads in the playoffs. After establishing a 5-3 won and lost record over the regular season and winding up in second place, the Vicites snapped out of their lethargy and proceeded to "come on like gangbusters".

Following 47-30 and 51-38 semi-final triumphs over St. Joe's, Vic edged Scona Composite by a tight 45-43 margin at Scona and then came out on top 51-39 in the final before almost 1,000 fans at Vic, to become the Edmonton champs for the second year in a row.

Particularly outstanding for the Vic crew in the playoffs and over the regular route were the members of the first string: centre Joe Bedford, guards Don Kay and Don Munro, captain of the team and tied for first place in league scoring, and forward Elmer Brendzan, along with Ted Frechette and Dave McLean who alternated in the other forward slot.

Congratulations and much credit must go to the coaches, Don Macintosh and Jack Allen, who have given Vic one of the greatest years in her basketball history.

BOYS' SENIOR "B" BASKETBALL

Front row: Malcolm McKenzie, George Berestovy, E. N. Simbalist, Ron Sawchuk, Wally Kirk.
Second row: Orest Olesky, Erv. Zemrau, Ray Wilkinson, Mike Lashuk, Ed Dawson, Joe Olson.
Absent: John Fee, Bill Hewko.

Victoria's representative in the newly-formed Senior B hoop loop which saw its first year of competition over the 1955-56 season, did their part in maintaining Vic's winning basketball traditions as they came within one team of winning the B championship.

After registering a thrilling 59-51 upset victory over Scona High in a sudden-death semi-final, the Vicites went up against the powerhouse Concordia crew only to be eliminated in two straight games by close scores of 47-39 and 45-41.

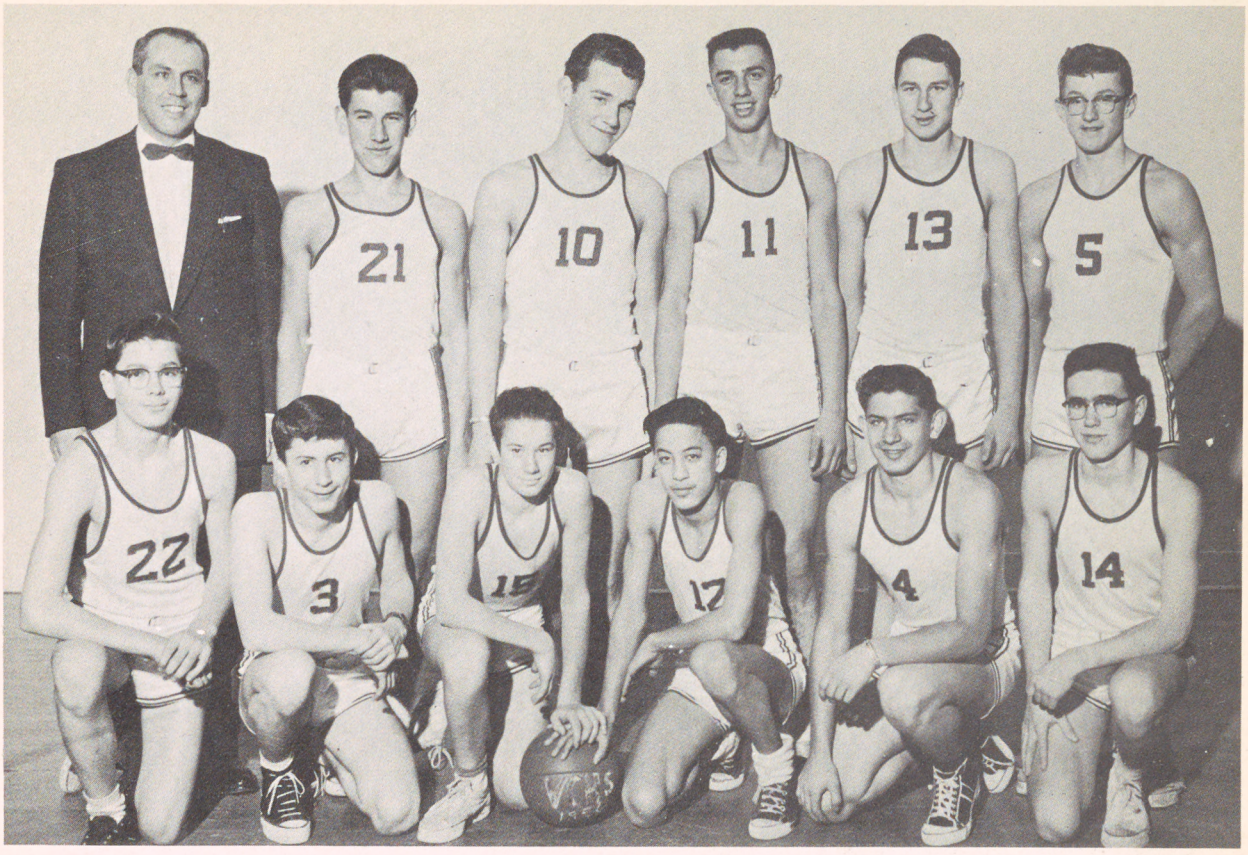

Over the regular season Vic's Senior B squad won three games as against five losses and finished up in a respectable third place slot in the five-team league, behind Concordia and Scona High. Undoubtedly the best performance by the club was the brilliant semi-final triumph over Scona High, the same team which had defeated Vic twice in regular league play.

Led by Mal McKenzie who swished in 24 points, the Red and White took an early lead and clung tenaciously to it throughout the remainder of the contest, despite frenzied efforts on the part of the Sconites.

The best-of-three final with the Concordians who had absorbed only one loss over the entire season, and that at the hands of Vic, was an entirely opposite tale. Although the scores give an indication of the tight play in the two games, they do not tell the full story of the torrid action which saw Vic fighting tooth and nail for the lead throughout, but falling short in both cases.

Particular standouts over the season and in the playoffs for the Vic aggregation were: Mal McKenzie (seventh high league scorer), Ron Sawchuk (eight high), Mike Lashuk, and Ray Wilkinson.

BOYS' "JUNIOR WHITE" BASKETBALL

Front row: Alan Paice, Jim Kranias, Nick Ursuliak, Ray Kay, William Prystawski, Bruce Pearson.
Second row: Mr. Lust, Walter Rosiewich, Norman Korol, Wally Shwydky, George Shenkariuk, Irwin Strifler.

Not in picture: Otto Skeich.

After literally burning up the '55-56 junior hoop league, finishing in first place, and sustaining only one loss over the entire season, Vic's Junior "Whites" were bitten by the overconfidence bug and then unceremoniously knocked out of the final in two straight games by the hustling St. Joe's junior crew.

Also seeming to suffer from their long lay-off while the semi-finals were being played, the "Whites" were caught unaware by the unheralded Sepites who trimmed the "Whites" 47-38 at Vic and then eked out a close 26-22 decision at Sep.

Except for the greater disparity between the scores in the first game, both contests followed roughly the same course. In each case, Vic held their own until the halfway mark of the game only to have St. Joe's turn on the steam to take the verdict.

An indication of the Sepites' sharp reversal of form may be pointed out by the fact that the "Whites" registered victories in both their encounters with third-place St. Joe's over the regular season, their only loss being at the hands of the Vic "Reds".

Under the able coaching of Mr. Al Lust, the "Whites" registered a total of nine wins over the season with only one loss. In succession the scores were: Vic 40, St. Joe's 38; Vic 31, Scona Comp. 19; Vic "Whites" 39, Vic "Reds" 28; Vic 40, Eastglen 22; Vic 41, St. Joe's 18; Vic 42, Westglen 27; Vic 45, Concordia 35; Vic "Reds" 37, Vic "Whites" 36; Vic 64, Concordia 32; Vic 43, Westglen 26.

Brightest lights in the "White" attack over the regular schedule were George Shenkariuk (9th league high scorer), Irv Strifler (10th high), Ray Kay, Norm Koral, Wally Schwydky, and Nick Ursuliak. Bob Lindberg was called up to the seniors midway through the season.

BOYS' "JUNIOR RED" BASKETBALL

Front row: Grant Curtis, Bob Dubak, Bob Cooke, Morris Blair.

Second row: Leo White, Ernie Ewaschuk, Lynn Wallace, Ed Jellis, John Dosen, Marvin Weisler, Bob Ewaschuk, George Bre-Win, Mr. Jack Allen, (coach).

Vic's Junior "Reds" suffered roughly the same fate as their brother "Whites" in the 1955-56 basketball season.

They set a torrid pace over the regular schedule only to be upset 38-25 in a sudden-death semi-final by the hustling St. Joe's junior crew. After winding up in second place in the junior loop, with a sterling record of eight wins and just two losses, the "Reds" seemed to lose their scoring punch in the playoff and were knocked out of the running for the championship by the Sepites who went on to conquer the "Whites" and take the junior laurels.

The sudden-death semi, played on Vic's floor, saw the two teams battle to a 16-16 deadlock at the halfway mark until St. Joe's caught fire in the latter portion of the game to take the nod. The semi-final proved to be something of a rubber match between the two teams, as their two previous meetings during the regular season play saw an identical number of points scored by each squad with an even split in the win column.

In chronological order, here is the record of the "Reds" over the season: "Reds" 55, Concordia 37; "Whites" 39, "Reds" 28; "Reds" 60, Concordia 18; "Reds" 43, St. Joe's 34; "Reds" 36, Scona Composite 25; "Reds" 34, Eastglen 33; "Reds" 33, Eastglen 28; "Reds" 37, "Whites" 36; St. Joe's 49, "Reds" 40; "Reds" 40, Westglen 36.

With Mr. Jack Allen at the helm, the "Reds" boasted a fine lineup that could easily have gone all the way. For example, forward Bob Dubak possessed the best points-per-game average in the entire junior loop, while star guard Ernie Ewaschuk placed third. Also coming up with creditable performances over the entire year were Marv Weisler, Ernie's brother Bob, and diminutive George Bre-Win.

GIRLS' SENIOR BASKETBALL

Front row: Ivy Bourcier, Lorraine Bayzand, Pat Jackson, Lil Cook, Roberta Warring, Roberta Klingspon.
Second row: Miss R. Anderson, Irene Bendzera, Marnie East, Ellen Jamieson, June Jamieson, Mae McEwan, Renae Raymond.

"Congratulations Champs"

Vic Senior Reds came out on top to tie with Westglen in sharing the honour of being the city champions.

After passing the eligibility board, Miss Anderson and her crew got off to a flying start in early October. Practising different plays on Monday and Friday noons and Monday nights, the girls were in tip top shape to meet their opponents on Tuesdays after school.

The girls may be proud to say that out of twelve games they were victorious in eleven of them. Besides regular high school league games they played against the U. of A. Pandas and the Red Deer girls. They were defeated by the Pandas but won against Red Deer.

Renae Raymond was the captain for the winning "Reds". Coaching the Seniors to victory this year was Miss R. Anderson. Miss Anderson devoted much of her time to training the championship team. She has in the past coached many championship teams and we are certain she will coach many more in the future.

THE TEAM

Marnie East—This is Marnie's third year of basketball. In Grade 10 she was the centre of the Jr. Reds. Last year she played centre for the Sr. Reds and this year finds her also playing centre for the Sr. Reds. Marnie specializes in hook shots and is used to the best advantage under the basket.

Irene Bendzera—Irene has also played basketball at Vic for 3 years. She played centre for the Jr. Whites in grade 10 and the Sr. Whites in grade 11. This year she is on the Sr. Reds. Irene is especially good at rebounding.

Ellen Jamieson—Ellen is also a centre for the Sr. Reds. This is Ellen's second year of high school basketball. She was a member of the Sr. Whites in grade 10. She is good at rebounding.

Roberta Klingspon —Roberta is a fast guard who is playing her third year of basketball. She was a member of the Jr. Reds in grade 10, and a member of the Sr. Reds in grade 11. She is very good on her long shots and is the high scorer for the team.

Renae Raymond (Captain)—Renae is a very valuable player. She fought all the way which helped her to become one of the high scorers. Rene played with the Jr. Whites in grade 10 and the Sr. Reds last year.

Pat Jackson—Pat is a very aggressive player who has come from the Juniors to the Senior team. This year playing both guard and forward Pat proved that she is an important asset to her team. Pat's best shot is from the corner.

Lil Cook—Following in the footsteps of her brothers, Ed and Rollie, who in past years played for Vic teams, Lil is a fast, sharp shooting forward on the Vic squad. Her ability has kept her among the high scorers on the basketball court.

(Continued on Page 122)

GIRLS' JUNIOR BASKETBALL

Front row: Isabel Lothian, Barbara Williamson, Ellen Mae Dyer, Phyllis Hutniak.
Second row: Carol Larson, Barbara Jackshaw, Judy Jackinsky, Miss Irwin (coach), Edith Wiggins, Ann Saponja, Rita Nobbs.
Absent: Sharon Saul (captain).

Although the Junior Whites failed to retain the city championship again this year, they did place second in the final standings; winning four and losing four games.

The girls were coached this year by Miss M. Irwin, who just returned to Vic after two years of absence. Practices were held in the White gym Monday and Friday noons and Fridays after school in the Red gym.

Who are the members of this fine team? First there is Sharon Saul, captain and guard. Other guards were Isabel Lothin, Rita Nobbs, Ellen Mae Dyer and Judy Jackinsky. Forwards were: Barbara Williamson, Edith Wiggins, Carol Larson and Phyllis Hutniak. The girls who did the jumping at centre were Ann Saponja and Barbara Jackshaw.

This year three grade elevens and seven grade tens composed the team.

A great deal of thanks must be given to Miss Irwin who did a splendid job of coaching the girls to second place.

Congratulations girls on your fine showing and your good sportsmanship.

GIRLS' SENIOR BASKETBALL *(Continued from Page 121)*

Lorraine Bayzand—Lorraine Bayzand is a forward who developed a jump shot (unusual for girls) so effective that it was the envy of many of the boys. Lorraine is a fast dependable player, coming through in tight situations.

June Jamieson—In her second year of Senior basketball, June proved to be a great help to the team this year. She played for the Senior Whites in grade 10. Her specialty is a long set shot from the corner.

Mae McEwan—Mae is another guard who has emerged from Jr. to Sr. Mae is a very fast, dependable player. She is very good at checking and at long shots.

Roberta Warring—This is Roberta's second year of Senior basketball. Last year she played for the Senior Whites. She is a very good faker, and is an exceptionally good team member.

Ivy Bourcier—Ivy is our only import as she hails from Eastglen. She played Jr. basketball there, and this year did a fine job of playing guard for the Seniors.

Each member of the team displayed fine sportsmanship which is so essential to the success of any team. We are proud of you Senior Reds.

BOYS' HOUSELEAGUE EXECUTIVE

Vic's well organized houseleague set-up, which offers every boy in the school a chance to compete in some sport, ran through another excellent season over the 1955-56 term.

The league, which is one of the best run and strongest in the city, annually includes participation in such sports as flag rugby, basketball, volleyball, and track and field. It is divided into four houses, complete with junior and senior sections, with all grade tens on junior teams and the grade elevens and twelves playing as seniors.

Organized by Mr. R. H. Routledge while he was physical education director here, the league gives all boys the opportunity to keep up their sporting activities should they not make the school teams.

The past term, the seventh year in which the league has been in existence, saw House Three firmly established in the lead for the championship cup by the time the yearbook went to press. Despite the presence of adverse playing conditions during the flag rugby season, House Three managed to garner the most number of points in both the senior and junior divisions. House Two took the honors in senior house basketball while House One copped the junior title. At the time of writing, volleyball action was in full swing and plans were being made for the fourth consecutive track meet.

Last year's winners of the Tom Davies Memorial Trophy, emblematic of houseleague supremacy, was House One, with Ron Bercov as captain. The trophy is presented to the house which has the largest number of points at the end of the season.

A main factor in the smooth and efficient operation of the houseleague was the expert management of the supervising teachers: Mr. Craig, Mr. Yusep, Mr. Macintosh, Mr. Allen, and Mr. Peacocke.

House Captains were Joe Bedford, House One; Gary Day, House Two; Laurie Niewchas, House Three; and Ernie Puhalsky, House Four.

Front row: George Berestovy, Garry Day, Joe Bedford, Mr. Yusep, Mr. Craig, Laurie Niewchas, Dave McLean, Ernie Puhalsky.

Second row: Bill Prystawski, Ted Frechette, Harry Daynes, Marvin Weisler, Wally Kirk, Bob Lindberg, Irwin Streifler, George Bre-Win.

Third row: Ray Horyn, Chris Scowen, Laurin Haines, Elmer Brendza, Harold Page, Boris Litwin, Bob Lazaruk, Don Williams, Walter Rosiewich.

GIRLS' ATHLETIC COUNCIL

Front row: Edith Wiggins, Dianne Jordan, Irene Bendzera, Joyce Oliver, M. Irwin, R. Anderson, Sharon Saul, Lorraine Bayzand, Rene Raymond, Lillian Cook.
Second row: Barbara Williamson, Wenda Brown, Mae MacEwan, Eileen Nicoll, Lila Taylor, Eleanore Pope, Marjorie McGregor, Isabel Lothian, Nellie Francis, Donna Philipovich, Roberta Klingspon.
Third row: Barbara Wallace, Sue Hennessy, Shanie Birenbaum, Shirley Wikner, Gail Robertson, Lois Johnson, Pat Murray, Lorna Maximchuck, Glenda Johnson, Reta Nobbs.

Pictured above is the hard working group of girls commonly known as the Girls' Athletic Council. The members of the G.A.C. are elected from grade 10 Phys. Ed. classes and the grade 11 and 12 rooms. Under the able supervision of our tireless teachers, Miss R. Anderson ond Miss M. Irwin, the council had a very successful year. The executive for the council consisted of: President, Sharon Saul; Vice-President, Irene Bendzera; Secretary, Joyce Oliver; Basketball Convener, Lorraine Bayzand; Volleyball Convener, Lil Cook.

The main functions of the G.A.C. were to direct intramural sports. Much credit is given to Lorraine Bayzand and Lil Cook who so capably organized basketball and volleyball. These girls made schedules, organized teams and made sure there were referees at all the games. Each member of the G.A.C. was responsible for publicizing intramural activities and handing into the director the names of the girls who wished to participate in sports. After the series of games had been played the winning team in both basketball and volleyball entered a tournament which included teams from the other high schools in the city. The winning basketball teams were: Senior: *"Go Getters"*, Junior: *"Flukey Frosh"*.

The winning volleyball teams were: Senior: *"Volleylettes"*, Junior: *"Volley Bollies"*.

SENIOR CHEERLEADERS

Under the excellent leadership of Marjorie Clark the Senior Football Cheerleaders had a very successful year. Clad in white toques, red V-necks, white cords and saddle shoes the girls were on hand for every Vic football game. This year the girls limited themselves to six as they figured more could be accomplished with fewer girls. Practices were held in the Red Auditorium at noons and after school for many a long hour, where the girls brushed up on the old cheers and composed new ones. Marj. Clark, Lorraine Bayzand, Pat Buttnor, and Bonnie Foster are the names of the hard working group of school spirited girls. Without our cheerleaders, the urge to get up and cheer the boys would be decreased greatly, so to you we say thanks for being so co-operative and hope to see you doing as good a job next football season.

Front row: Donna-Lynne Rundle, Marjorie Clark, Bonnie Foster.

SENIOR BASKETBALL CHEERLEADERS

Stiff bones and hoarse throats are all part of being a cheerleader, especially if you are cheering a Vic. This statement can be proved by asking anyone of our Senior Basketball cheerleaders. Who are the Senior Cheerleaders? Why, there is Marjorie Clark, the leader; Lorraine Bayzand, Pat Buttnor, Lila Taylor, Bonnie Foster, Dianne Richards, Kay Upright, Jenny Kuchaba, Virginia Samchuck and Rene Raymond. Where do the girls practise? Practices are held in the Red Auditorium at noons and after school for the girls. What do the girls wear when they are cheerleading? The girls' outfits consist of red V-necks, short white pleated skirts and saddle shoes. Besides their regular chore of cheering at the regular league games the girls also went to Red Deer to cheer at an exhibition game and to Calgary for the Provincial Championship. Congratulations are also extended to the girls for tieing in the Edmonton Cheerleaders' Contest, with the Scona Composite Cheerleaders.

Dolores Shymko, editor of the Argosy made her debut in Grade X as an Argosy Room Rep. The following year she became the first "Argo" editor, thus becoming acquainted with difficulties involved in putting out a publication and also gained valuable experience in leadership. Her excellent work was responsible for the success of this year's Argosy.

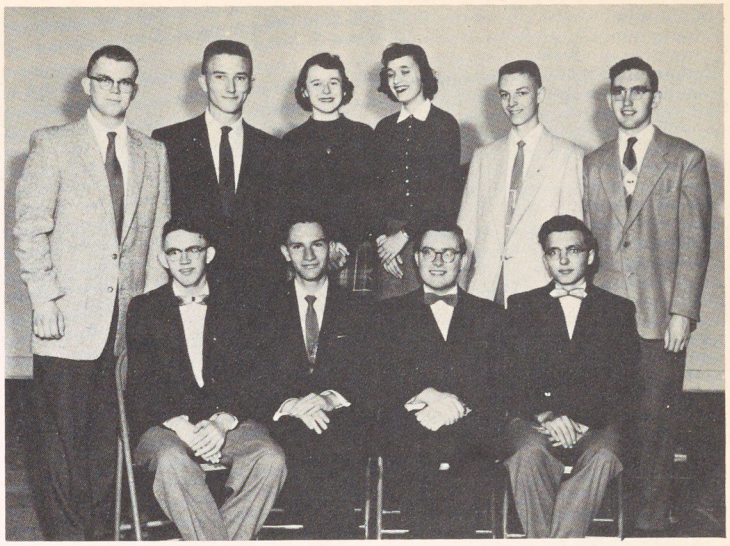

The Year Book department this year was under the capable hand of editor Edward Hauptman. Ed had previous experience in journalism being the editor of the Teener. Ed was also on the Argosy Staff for 2 years and Booklet Editor for the Miss Edmonteens Ball. His excellent work is well credited with this wonderful Year Book.

Both the above students are completing their Grade 12 this year and it is to them we owe many thanks for their time and effort. Without a doubt we can conclude that the Quill and Scroll Award will be in worthy hands.

After High School WHAT?

Thinking of a CAREER — or just a job?

Like most smart students, you'll want a lifetime career—not just a job at so much a week. And a career in banking could well be the answer to your plans for the future. Banking today offers a wider variety of interesting and better-paid positions than ever before. Consider it seriously before reaching your decision.

And here are some of the attractions Canada's First Bank offers young graduates starting in banking . . . good increases regularly if you are good at your job . . . an effective training programme to prepare you for advancement . . . promotion based on merit—not seniority . . . pension and group insurance benefits . . . a genuine combination of opportunity and security.

If you are interested in finding out more about banking as a career, have a chat with your nearest B of M manager. You'll find him most helpful.
